Enrichment Activities 2018 - 2019

We value the importance of Enrichment Activities here at Aylestone. We hope this booklet highlights the wide ranging activities that are being offered.

Many of the activities are available throughout the year. However, the school website is updated regularly as new clubs become available, so please do have a look to see if there are any changes.

There is a breadth of activities on offer, and there is something for all students to be interested in. We hope you grasp the opportunity in developing your current skills and abilities, and also acquiring new interests and skills in other areas.
